

## Net Team Shows Promise; Two Plan Tour

A top notch tennis team at Denver university in years to come is assured by the 1950 freshman squad.

The frosh netters are paced by a pair of the best racquet swingers in intercollegiate circles in Clayton Benham and Jack TerBorg.

Benham, brother of Gridder Howard Benham, is particularly outstanding. He has been singles champion of his native Hawaii for three consecutive years. He is also holder of one-half of the doubles title and mixed doubles honors.

TerBorg is well known locally for his clean sweep of all junior titles in sight in Colorado two years ago. Since then he has played freshman and varsity tennis for USC's power-laden net squad. He and Benham plan to hit the circuit of national play this summer.

Two other powers in Colorado junior play lend plenty of support to Benham and TerBorg. The pair, ~~Irwin Hoffman~~ and Ray Powell, finished second and third respectively in last year's Colorado high school tournament. Hoffman has won several junior trials.
