

George Washington High School—Denver, Colorado

You are cordially invited to attend a reception for the two Colorado recipients of the 1983 Presidential Award for Excellence in Science and Mathematics Teaching, Mr. Vaughan Aandahl and Dr. Irwin Hoffman.

The reception for our two faculty members will be held on Tuesday, October 25, 1983, in the Community Room at George Washington High School, 655 S. Monaco, from 2:30 until 4:30 p.m., and will follow their presentation from President Reagan at The White House.

We hope that you will join the George Washington High School Faculty, Staff and PTSA in their expressions of pride in and congratulations to these distinguished gentlemen.
