## FROM THE MANAGER'S DESK

Well, we had a lively Fall, and we are starting our work for the season (although I think it never stops, because we start working on the next season before we finish the current one). This year, we will have a new Golf Course Superintendent. He is Mike Donahue. Mike is coming from the Lakes Country Club in Palm Desert. He went to school at Michigan State and was Superintendent in Michigan as well. Mike has also helped set up golf courses for two national tournaments. Mike suffered through a committee of nine in the interview process to be chosen over some great superintendents. Please welcome him aboard when you see him. And, you won't miss him. He must be six foot three and played college football. He is also a four handicap.

Look in Judie's article for the exciting things happening the next few months. The staff took a well deserved rest in the first two weeks of January while we reworked the grill kitchen. They do a great job and I'm lucky to have a staff that cares so much. Most of the crew will be back next season, but I'm afraid that, like most successful sports teams, you always lose someone to free agency. Scott Klemme not only married our former cart girl Kristie, but also got hired as a first Assistant Golf Pro in New York. We wish them both the best and will look hard for someone to fill his shoes.

I look forward to seeing you at the club.

## Hoffman to be recognized for lifetime service

For more than four decades Dr. Irwin Hoffman has used the tennis court as a classroom, teaching thousands of kids the game of tennis. His drive stems from believing that tennis reaches far beyond the court and into life by developing social skills like sportsmanship and honesty.

Because of his lifelong contributions to children, Dr. Hoffman will be recognized alongside Stephanie Hagan at an upcoming fund-raising dinner in their honor.

The event, chaired by Ted, Marsha and Gregg Alpert and Jon and Sharon Madison will be held the evening of March 9th at Green Gables Country Club. It will include

a cocktail reception, silent auction and dinner.

Proceeds will benefit the Colorado Youth Tennis Foundation, a fund-raising arm of the Colorado Tennis Association that provides assistance to juniors, giving them the opportunity to learn from and play the lifetime sport of tennis. Hoffman is a past board member of the Foundation.

Event invitations and tickets will be available soon. If you are interested in helping or participating please call Lisa Schaefer at the CYTF office at (303) 695-4116 x1201.
