

**STEVE SATTERFIELD**

(GWHS 1985)

Please tell Irwin I tried Computer Science at Colorado State University for 2 years, but Calculus did me in.

Vineyard USA CO Army National Guard 169th Fire Brigade Chaplain. I was in Kuwait for 2003, 4 months in Iraq in 2006, and I spent a year in Afghanistan in 2009-10.

I'm Ft. Carson, Colorado's deputy hospital chaplain and I'm working on my doctorate in Marriage and Family Counseling at Denver Seminary. I still use computers every day and I appreciate what he taught us.

I'm proud to have been at George Washington High School for his computer program, and I transferred back there when my family moved to Cherry Creek / Thomas Jefferson High School territory!
